

Protect your Small Business with a Business Owner's Policy (BOP)

30% of homeowners
operate a business out of their homes

More than half
of home-based
business owners
are underinsured

Nearly **40%**
of home-based business owners
are uninsured

primarily because they
thought homeowners
policy covered their
business equipment.

In 2015,
there were an estimated

**1.9 fires
per hour**

in stores and offices
in the US

Estimated damage
in dollars was

\$38,485

per hour
